31 THE ROLE OF MISSISSIPPI'S COLLEGES AND UNIVERSITIES IN IMPROVING THE HEALTH OF OUR POPULATION

In almost every measurable health statistic Mississippi ranks in the bottom 5 of the 50 states. By taking an integrated approach to the wellbeing of our students, the colleges and universities of Mississippi are uniquely positioned to change the culture within our state by promoting healthy choices. These choices can become healthy lifestyles that will dramatically improve the wellbeing of the citizens of our state. Facilitated by Jeremy Baham at Mississippi State University.
